CLOSE UP 2005

Washington, DC Close Up Trip
Sharon Whiteside

Austin Balach and Sam Harris along with their sponsor Sharon Whiteside attended the Close Up program in Washington, D.C. during the week of April 17-23. They were challenged by a rigorous program of speakers, meetings, discussions, and visits in the nation's capital. They were exhilarated by the challenge and opportunity to get up close to the federal governmental system. Both of these exceptional young men represented Colorado School for the Deaf and the Blind wonderfully. All came home tired, but full of enthusiasm and excitement about what they learned.
